MONUMENTS.

The White Bronze Monument,

beautiful in design, appropriate in color, never tarnishes, chips or cracks, and science in its long search for something that would stand the frost of this climate for monumental purposes has at last found it in the White Bronze. It fills every wish. It is a beauty to behold. It will perpetuate the memory of loved ones, that future generations may bestow those little acts of kindness upon the graves after we have gone to our reward.

300 STILL MISSING

Full Horror of The Hoboken Fire
Has Not Become Apparent.Sixty-Seven Scarred, Maimed And
Burned Bodies Found In
The Ruins.

New York, July 2.—Sixty-seven bodies of victims of the Hoboken fire have been recovered. Each hour witnesses additional recoveries of bodies, scarred, maimed and burned beyond recognition. The half has not been told, as all the bodies brought to the surface today were caught on grappling hooks. About the first of next week the people will realize the appalling loss of life, as it will then be time for the bodies lying at the bottom of the river to come to the surface. The list of missing is still 300 and when bodies begin floating, the grewsomeness of the situation will be realized.

Most of the bodies recovered are so blackened, shriveled and distorted by the action of fire and water that it is evident that the dying suffered terrible agony. Identification can only be made now in the most cases by little trinkets or adornments found near the bodies, or on them.

Planters Insurance Company,

(INCORPORATED.)

BOWLING GREEN, KY.

D. W. WRIGHT, Pres. P. C. JESSE, Sec'y.

JOHN D. CLARKE, Director.

This is a co-operative company and insures only farm property. It is now in its 21st month. Loss rate to date has been on an average of only 28cts per hundred dollars of insurance. This is cheap insurance for 21 months.

We propose to give the farmers in insurance for about one half that is now being charged by other companies. We do not insure city property and country stores, therefore we do not tax the farmers to pay such losses. Amount of insurance in force is \$600,000. We have some of the leading farmers of Christian County insured in this Company.

Ask our agents for a name list of the insured and for any other information you desire.

HAS NATURE WARNED YOU?

Nature herself clad in the early garbs of spring, blossoms forth trees and flowers causing the despondent chord to vibrate to this, the most delightful of all, springtime and how do you feel? "Cleanliness is next to Godliness."

Dirt and depravity go hand in hand. This is just as true of the inside of the body as the outside. Constipation clogs the body, and clouds the mind. Constipation means that corruption is breeding in the body, poisoning the blood with its foul emanations, befogging the brain with its tainted exhalations. Constipation is the beginning of more diseases than, perhaps, any other single disorder. The consequences of constipation are legion. Headache, pain in the side, shortness of breath, undue fullness after eating, coolness of extremities, nervousness, indecision, lassitude, dizziness, salivaceous flatulence, and a score of other ailments are directly caused by constipation. Cure constipation and you cure its consequences. The quickest cure of this evil is obtained by the use of Dr. Pierce's Pleasant Pellets. They are small in size but wonderful in result. They cure permanently. They contain no injurious ingredients. The use of them does not beget the "pill habit." Ask your druggists for them.

Send 21 one-cent stamps, the expense of mailing only, and receive Dr. Pierce's Common Sense Medical Adviser, in paper covers. This work contains 1008 pages and 700 illustrations. For 31 stamps it can be had in substantial cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.
